ENGINEER REVIEWS OR CONSULTATION

Applicants for subdivision and/or land development approvals shall reimburse North Newton Township one hundred percent (100%) of actual cost of engineering and professional consultation reasonable necessary to the review, processing, revision, inspection, testing and preparation or required security and improvement documentation. The amount of such fees shall be based on the actual rate or cost charged to North Newton Township by such consultant for services rendered.

STORMWATER MANAGEMENT PLAN SUBMITTAL

The Board of Supervisors has authorized the Township Engineer to conduct reviews of Stormwater Management Plans and inspect the installation of stormwater improvements on behalf of the township. The township does not require a plan submittal fee, but does require one hundred percent (100%) reimbursement of engineering costs incurred by the township for the review and inspections associated with the plan.

RECORDING FEE

All plans to be recorded with the Cumberland County Recorder of Deeds' Office will be recorded by the township. The recording and certification fee will be one hundred percent (100%) reimbursable to the township.

PAYMENT OF FEES

The township will not accept the submittal of any plan without the appropriate filing fee. In addition, all professional consulting fees, recreation fee, recording fees and security must be reimbursed or received before the approved plan will be released to the applicant.
